## FAA PUBLICATIONS SOLD BY GPO

## Stock Numbers

Superintendent of Documents stock numbers (SN) have been included to aid personnel in processing orders. Please use them when ordering-along with the title and FAA publication number. To avoid unnecessary delays, do not order single-sales material and subscription sales material on the same order form as orders are separated for processing by different departments when they arrive at Superintendent of Documents. Be sure your name and address appear on each list.

## Prices

Prices shown were in effect on the date indicated on this list. Government documents prices are subject to change without prior notice, therefore the price in effect when your order is processed will be the price charged for each publication ordered.

Make check or money order in the amount listed to Superintendent of Documents. Mail it with the exact title and stock number of the publications you are ordering to: *Superintendent of Documents, P.O. Box 371954, Pittsburgh, PA 15250-7954*. GPO operates U.S. Government bookstores all around the country. For your convenience, a list of these bookstores is shown in this appendix. Both the commercial and FAX telephone numbers are listed after each address. All GPO bookstores accept VISA, MASTERCARD, and Superintendent of Documents deposit account orders.

### Airport/Facility Directory

This is a pilot's manual which contains data on airports, seaplane bases, heliports, NAVAIDs, communications, special notices, and operational procedures. The seven volumes cover the conterminous United States, Puerto Rico, and the Virgin Islands. The Airport/Facility Directory includes data that cannot be readily depicted in graphic form; e.g., airport hours of operation, types of fuel available, runway widths, lighting codes, etc. This Directory also provides a means for pilots to update VFR charts between edition dates; i.e., it is published every 56 days while the Sectional and Terminal Area Charts are generally revised each six months.
